

Swan Harmony Community Choir

Presidents Report 2026 AGM

31st March

Thankyou Committee for the time and commitment that you give the Choir.

Without you, we would be unable to bring the choir together.

Many Thanks

The Anzac Ceremony -our first sing of the year. I have contacted the Mundaring Shire for information on the use of their sound system this year. I also suggested to them to give more assistance to the event to help Eric. Richard is concerned about the setup. Do we want to keep doing them?

City Of Swan (COS)

Our commitment to COS is 4 events for the year. These were discussed late last year with Catherin Scherwin, Katherine Powell and me, meeting with Stephanie Musk from the COS. We discussed the events, and it was suggested if we could do a Monday morning for the community group that uses the Courthouse on that day. This could mean 5-20 people in attendance. This probably won't work due to the complexity of the songs and the number of choir members we can get to attend. We can't go into Aged Care due to risk of infection, etc. We need more suggestions.

Running Sheets - Signing and information sheets for our MOU commitments have started. We need a reasonable size choir for the Monday or Wednesday morning so I've put out a sheet to find out who is available. So far 9-10 people. I will see how this goes and maybe arrange another meeting with COS as we don't want a repeat of last years events.

Venue for the end of year concert – I'll begin my search for a new venue.

The Crooked Spire will be my first. Any suggestions and we can decide if we want to spend the money or stay the same.

Members – We need to take down the information for 3 visits and only put it up at the end of year or intake. We have 40 members.

Fundraising – We need to start the Raffle for the year. If we all agree?

Chris has done this in the past so, can you organise that for the year for us again please?

Guildford Song Festival – Do we want to participate in this event for the year again? Once again, subsidising the entry fee?

Position Vacant – Librarian. We need a volunteer to manage the Library of music we have at Storage King in Midvale.
